

August 2020 Call Project

Conversation Guide:

Hello, this is _____ with East Coast Christian Center.

We are working to stay connected to you during this season. How are things going for you/your family?

How are you doing with staying connected to East Coast? Are you attending one of our locations or our online campus?

How can I be praying for you? PRAY

ASK

Before we go, I want to share some great news with you! This year, we've had over 800 people saved across ECCC and its only August! We are working to keep folks connected by launching a new semester of small groups soon. Would you be praying for us as we prepare that launch?

We hope to see you in a group, so be sure to look at what's available. (eccc.us/groups) We have digital and in-person groups so people can stay connected however they feel most comfortable.

Thanks so much for speaking with me and for being part of East Coast.
